

RIVERS IN SPRING FIRST VIRTUAL WORLD WATER DAY IN MANTOVA (Italy) March 22, 2021

INVITATION

CCs, Teachers and respective students of the GLOBE E-E school network are kindly invited to participate in the **21st edition of RIVERS OF SPRING**, the event that will celebrate **World Water Day on 22 March**, in **Mantova, Northern Italy**.

The event will be held on a virtual platform, to ensure the broadest possible participation on the international stage.

The official theme of the event is "**Valuing Water**", with other sub-themes listed in the short presentation attached here.

We invite you to consider participating as active contributors, if **you and your students have carried out activities** that relate to the main theme or the sub-themes proposed, and if you want to **share your experience** with the broad national and international audience of the event.

We invite you **to fill in the form** at the address below and **submit it as soon as possible**, if your contribution is of scientific, technical or humanistic nature (literary, artistic, musical, theatrical) or it is aimed at changing individual and collective behaviors according to the view of the **2030 Agenda for Sustainable Development** (sociological surveys, video clips, etc.).

The event will take place **on a virtual platform**, in real time. Details will be communicated a week in advance. Videos and presentations selected from those received will alternate with live interventions, while all submitted materials will be viewable on the **GLOBE ITALIA YouTube channel** without constraint.

Classes, groups of pupils or individual students unable to prepare a video or presentation can still take active part in the event **by transmitting a photo, a thought, a song, a drawing** that will become part of / and which will be displayed among the materials of the day. Details on how to submit your materials will follow shortly.

The event is promoted by [LABTER-CREA School Network](#) in Mantova, in collaboration with [GLOBE Italy](#), with the **GLOBE Italia Association**, the network of schools coordinated by the **IISS "Bassa Friulana" of Cervignano del Friuli (UD)** and **Mantova Town community**.
